50th Anniversary Seminar of Honour

From  to 

» 50 years of European Spatial Data Research and beyond «

16 October 2003 Munich, Germany

European Spatial Data Research

October 2003

From OEEPE to EuroSDR:
50 years of European Spatial
Data Research and beyond

Seminar of Honour

by Christian Heipke, Risto Kuittinen,
and Günter Nagel (Eds.)

Official Publication N° 46

EuroSDR has much to offer

- Functioning network linking National Mapping Organisations with Research Institutes and Industry
- Modern relevant Research Programme
- Ability to devise, undertake and disseminate timely research projects
- Hosting and co-hosting focussed Workshops
- Professional standard publication series
- Education service
